NUCs: US must give up its non EU "option"
- 1) doctrinal, declaratory, deployment: (from)  
EU v. non-eue states
  - 2) its cap. for credible EU<sup>FS</sup> threat  
vs. ~~other~~ <sup>FS</sup> eue states or pre-emption  
("superiority") de-facto  
and their allies
  - 3) its cap. for EU v. anyone  
with others: (abolition)

Since 1944, US has clung to possessing and  
using a EU "option" — as now v. Iran —  
or non-eue states (Russia, SU, <sup>China, DRV,</sup> from)  
and eue states: SU... China
